

Overseas Student Health Cover (OSHC)

Standard premiums by month

EFFECTIVE 1 JULY 2026

These rates will apply to all policies purchased on or after 1 July 2026.

A single policy will provide cover for the primary visa holder. A dual family policy provides cover for the primary visa holder and either one adult spouse or de facto partner or one or more children under 18 years of age. A multi-family policy provides cover for the primary visa holder, one adult spouse or de facto partner and one or more dependant children under 18 years of age. Customers who hold a secondary visa must be included on the same OSHC policy as the primary visa holder. Only primary visa holders are eligible to hold a single OSHC policy in their name.
