It will include some fun ice-breaker sessions with your Flat-mates, covering topics on how to use your key, fire safety, maintenance, internet, on-site facilities and on-site support. The induction is for your benefit to ensure a smooth and successful transition into our community and as such we hope for everyone to attend.

## 3. Our community non-negotiables

- ❖ We will respect each other regardless of gender, cultural and racial background, and sexual orientation.
- ❖ We will avoid behaviors that will cause a nuisance or inconvenience to Flat-mates, other Residents, neighbors and Yugo employees, especially between the hours of 11pm and 7am

## 4. We understand that plans change

Yugo have implemented a straightforward cancellation policy. We know that plans can change therefore it is possible to cancel a tenancy agreement without penalty. All we ask is that you let us know in writing at least 30 days prior to the agreement start date.

If cancellation is made to Yugo less than 30 days before the agreement start date you will be responsible for rent until a replacement tenant has been found unless documentation can be provided on the inability to commence a course. Don't worry, you're not on your own, we'll do everything we can to help you find a suitable replacement tenant.

If you wish to end your Agreement early you will be required to find a replacement student to take over the remainder of your lease. There are a few points that you need to consider as part of the tenancy takeover process:

- ❖ You are bound by the agreement terms until early termination has been approved by Yugo in writing.
- ❖ Yugo will assist residents with tenancy take overs and make every effort to find a replacement. Residents are encouraged to conduct their own search for a replacement tenant in order to find a replacement as soon as possible.

- ❖ The check-out process will involve a full room/apartment inspection and the finalization of departure paperwork, including completing a bond refund form.
