

ENGLISH PLUS WHALE CONSERVATION

SAVE THE WHALES

- An experience of a lifetime participating in world-class research and monitoring the ocean and marine life.
- Get up close to whales and dolphins in their natural environment with the stunning Gold Coast skyline glistening in the background.
- Learn about species and individuals (including identification, biology, behaviours and the ability to photograph the animals).

Proudly supporting
Humpbacks &
Highrisers

THE MOST
BEAUTIFUL
CLASSROOM

100% DONATED

For each English plus Whale Conservation application, BROWNS will donate 100% of the monthly fee directly to Humpbacks and Highrisers, supporting whale protection and research.

WHALE CONSERVATION (VOLUNTEER)

Duration

8-24 weeks volunteer program (minimum 5 weeks study at BROWNS)

Volunteer Dates

Anytime between 1st June - 31st October*

*Excluding public holidays and school closure periods

Entry Requirements

- Pre-Intermediate English language level or above
- Student, Working Holiday or Visitor visa
- Age: 18 and over
- Successful completion of on-site orientation/seminar (held monthly at Griffith University*)

*Visit [brownsenglish.edu.au/eng+conservation](https://www.brownsenglish.edu.au/eng+conservation) for orientation dates and times

Volunteer Description

- Time in the field will be spent on commercial whale watching boats learning about species and individuals (including identification, biology, behaviors and the ability to photograph the animals).
- An opportunity to interact with the public to answer questions and provide educational materials and information.
- Work on a wide range of tasks including data collection, data entry & analyses, community engagement, ocean education, design, software development and fluke matching.
- Rostered on for at least four trips per month (boats depart from Main Beach and Surfers Paradise).
- No experience or qualifications required.
- Volunteer roster will be provided after first training session/orientation.
